The City Ballet School Billing Policy 2017/2018

Tuition rates are per class. Yearly tuition for your classes will be calculated and divided into 9 monthly installments. (August – April). Your statement will be the same each month regardless of the number of classes in that particular month, while still being billed by the class. We hope this new billing method will make billing smoother and more predictable for everyone.

Example- Saturday Creative movement meets 36 times during the school year. \$13 x 36 weeks = 9 payments of \$52

There are no refunds for any reason. Please keep this in mind when deciding to use the unlimited payment option. No billing adjustments can be made for unlimited students who wish to change or drop classes during the year.

Missed classes due to illness, family emergencies/trips or classes canceled due to weather may be made up in a class of the same level or one level higher or lower than your child's current level. Holidays on the schedule are not billed to you and do not need to be made up.

Invoices are issued monthly in advance. You may choose to receive your bill via e-mail or through the mail. Please ensure that we are in your contacts list if you are receiving your bill via e-mail so that it does not go to your junk mail and be sure that we have your current address.

Please include your first payment upon registration. Please e-mail Diana Miller at cityballetquestions@hotmail.com with your class schedule to calculate your payment.

Tuition may be paid by cash, check or money order made payable to The City Ballet School and can be placed in our tuition box when you come for class. Our front door mail slot may be used before or after business hours. You can also mail to:

The City Ballet School

Hagerstown, MD 21740

All tuition is due by the 15th of the month. \$10.00 per month is assessed after the 15th.

Students who have outstanding balances will not be admitted to class. The student may resume classes when the outstanding balance is paid in full.

Accounts 90 days past due are subject to referral to a collection agency.

WESTERN MARYLAND CITY BALLET COMPANY AUDITIONS

WMCBC will be holding open auditions for company members and apprentices

Saturday, September 16th 2017 - 11:00am -1:00 pm (10:30 registration)

ABOUT WMCBC

Western Maryland City Ballet Company is The City Ballet School's professional training division. Serving as our studio company, our goal is to provide advanced training and performance opportunity to serious minded dancers and to prepare dancers for future work in a company. The company performs 3 times a year including The Princess Tea Party, The Nutcracker, and a spring performance in addition to several other guest performances. Dancers in the company are mentored and guided to gain recognition in the dance community in order to further their training on a professional level.

Audition Requirements:

Ladies must be at least 12 years old and have at least one year of pointe training to be eligible to audition.

Gentlemen must be at least 12 years old with previous dance training.

Audition fee is \$10

Dancers should wear class attire with no warm-ups

Participation Requirements:

Dancers selected as company members or apprentices take company class with ballet mistress Amy Wroblewski on Saturday mornings from 11:00am-12:30pm beginning on September 23rd.

Dancers rehearsals may be scheduled between 1:00 pm – 5:30pm on Saturdays and 1:00pm- 7:30 on Sunday afternoons. Some rehearsals will be held through the week but not all company members will rehearse during these times. The company season runs from September 23rd through May 6th with a winter break between the fall and spring seasons. Attendance is mandatory for all classes and rehearsals.

The cost for participation is \$425 for the year and covers all classes, rehearsals and costume fees. Company dancers must audition for The Nutcracker for casting purposes, but do not pay participation fees for The Nutcracker as they are covered by their company fees. The company also holds a mid-season audition, accepting new company members, but the cost for the season is the same regardless of whether the dancer begins their contract in the fall or spring.

Questions regarding the Company season or company auditions should be directed to Danielle Horochowski at horochowski.cityballet@hotmail.com

FREQUENTLY ASKED QUESTIONS

What is the Dress Code for my child's classes?

Ballet

girls- pink ballet tights, black leotard and pink leather or canvas ballet slippers. Pointe level students should wear professional mesh seamed tights, and spilt sole canvas ballet shoes

Hair must be secured in a bun.

Students in ballet 3 and higher will not be permitted to class without proper dress code, including having their hair in a bun.

No jewelry is permitted except for small earrings.

No undergarments should be worn under dance attire. Proper fitting leotards and tights are designed so that undergarments do not need to be worn.

Boys - black ballet shoes, black tights or form fitting leggings and a white, form fitting t-shirt. Boys ages 12 and up should wear a dance or athletic belt.

Jazz/ Modern/Tap/Acro

Girls- Solid color leotard, solid color tights. Hair must be secured in a ponytail or bun.

Boys – black footless or convertible tights, or jazz pants solid color t-shirt

Hip- hop

Girls/boys- sneakers, sweats, jazz pants, shorts and t-shirts may be worn. No short shorts or crop tops (no exposed midriffs)

What determines my child's level placement?

Ballet

As a general rule, dancers will spend 2 years in classes in the children's division (creative movement - ballet 4) in taking 1 weekly class and 1 year if taking both days of the class. As students get older, there are other factors such as strength, flexibility and overall physical development that can determine how much work a student is able to do at the time. Students will not be placed in a pointe class until we feel that their body and level of technique is strong enough and they have mastered a list of prerequisites that we have for beginning Pointe. City Ballet has a list of technical proficiencies that must be accomplished before moving to Pointe. Pointe students are assigned to two levels of class each year and must take both levels.

Jazz/Tap/Modern

Placement for jazz, tap and modern dance is largely determined by the dancer's age and level in ballet technique. Ballet is the core training for all dance forms so a student in an upper level ballet class may be eligible to take an advanced jazz or modern class even if they have not had prior training in that discipline. There is a large gap between levels of jazz, modern and tap, so students can expect to spend several years in each level.

Can I take a class other than the one assigned?

For children's division: Classes in our preschool and children's division have two class options. You may choose one or both. (Please specify on your registration form). If you need a different class because of a schedule conflict, you may e-mail us and we will help you with some options. We may place a student in a higher level with the understanding that your child may spend more time than usual in that level. You always have the option to repeat a level and sometimes this can be a great thing for a child's confidence and sense of mastery of the material.

For prep: Moving to pointe is only at the discretion of your teachers and your mastery of our Pointe prerequisites. You may not request to enter a pointe class if you are not assigned to one. Students often spend several years in a prep class and typically do not progress to a Pointe level all together as a group.

For Pointe: Students may request to move to a different level, but this may cause them to forfeit the class performance if they are not at the level of the class at that time. The teacher is also focused on helping students master the material for the level, and may not be able to help a dancer who is not at that level yet. If at all possible, it is best for pointe level students to stay in their assigned levels.

What is the best way to contact my child's teacher or the Artistic Director with questions?

Because the City Ballet School chooses to spend its resources on hiring the highest level of college educated and professionally trained faculty, we do not have an office staff. Please be patient as it can take a few days for us to get back with you. The best way to speak with Danielle Horochowski is through e-mail at horochowski.cityballet@hotmail.com. You can also call or text the school at (301) 733-5833.

How does billing work? What if I have a billing question?

Classes are billed in 9 even monthly installments. Your first installment is due upon registration and your second installment is billed in September. Bills will be sent the first of the month and are due by the 15th for the current month. Please e-mail Diana with your class schedule to calculate your tuition. Your first tuition payment should be included in your fall registration. Late payments are charged a \$10.00 late fee. You may sign up to receive your bill via e-mail or through the mail. You can mail your payments, hand it to your teacher when you come to class, drop them in our tuition box, or drop it in our front door mail slot. Payments must be made via cash, check or money order. Any billing questions or concerns may be addressed to Diana Miller at cityballetquestions@hotmail.com.

Why is ballet training so formal?

The structure and format of a ballet class is deeply rooted in tradition and we conduct ballet classes conducted with traditional formalities to pass on the rich heritage and history of classical ballet. Ballet training is a very intricate and precise discipline that requires a lifetime of study and a student -teacher relationship that is built on mutual respect and continuous development. We feel very strongly about respecting the studio as a special place for work. It is for this reason that we enforce our rules and policies very strictly in order to teach professionalism at an early age.

How will I know if a class is cancelled?

Classes are only cancelled if the weather is bad or is expected to be bad. Sometimes we cancel some classes and not others on the same day depending on our faculty's travel for that day. We do not always follow the school systems cancellations but we always posts cancellations on our voicemail. We post our cancellations on facebook (which can also be viewed on our website homepage even if you do not use facebook) We will also post a voicemail with inclement weather information at (301) 733-5833. We do not close for Halloween or government/school holidays (except for Labor Day and Memorial Day).

Are there additional fees besides tuition?

All City Ballet students are invited to perform with their class in our spring recital, although this is not mandatory. Costumes are purchased in January are usually \$75 per costume. There is also a \$40 recital fee that entitles you to recital tickets. Performing in the recital is optional, although most students choose to participate.

The Western Maryland City Ballet Company produces two full length ballets each year. Students in the ballet school are invited and encouraged to participate in our productions. The audition fee is \$15 and the participation fee is \$50 which includes all rehearsals (that are held on the weekends) and your costume rental. Participation in these productions are encouraged, but not mandatory.

Please address any additional questions you may have to Danielle Horochowski at horochowski.cityballet@hotmail.com or (301) 733-5833

City Ballet Policies and Code of Conduct

The safety of our students is very important to us and we want to ensure that the City Ballet School is always a safe and professional learning environment. We view our studios as a special place exclusively designed for the serious dance student. The City Ballet School upholds a strict code of conduct to help enforce the level of discipline and respect we expect from each student. Our code of conduct includes:

- Dancers must be fully dressed and prepared for class by their scheduled class time
- Dancers who arrive late must apologize to their teacher and ask if they may join the class (Participation is subject to the teacher's discretion, dancers who arrive more than 10 minutes late may be asked to observe class that day)
- Dancers must be in adherence to our dress code policy (including hair) to participate in class.
- Dancers must always treat their classmates, other students and all instructors with respect.
- There is no talking in class
- No chewing gum permitted for students in the classroom
- Dancers are expected to fully participate in class and demonstrate their best work, attention and effort at all times.
- Please notify your child's instructor if your child will be absent from class. In the event of injury or illness that is not serious or contagious, the dancer should still come and observe the class if possible.
- Dancers are expected to be clean for class. Dancers should always have clean class attire and wear deodorant

Student classroom policies and expectations

Children's Division: We expect students in our children's division to follow our rules for the classroom including following our dress code (including hair in a bun). We expect children to be focused and to fully participate in class. If a child is not willing to fully participate on a given day, we will have them observe the rest of the class. Students who are disruptive or talkative may also have to observe the class. Students are not permitted to leave the room during class time unless it is an emergency.

Intermediate/Advanced Division- Students are required to come fully prepared for class including caring for their feet so they are able to properly participate in pointe work and must have a *useable* pair of pointe shoes. If shoes are too broken or do not fit properly, a student will not be permitted to wear them to class. Students in these levels are given corrections and instructions in class and are expected to work outside of class to improve on the assigned issues and to work in class with personal goals in mind. Dancers are expected to retain corrections and lessons from one day to the next. A teacher may dismiss a student from class if they are not focused enough to benefit from the class or if they are a disruption in any way. Students should thank their teacher (and the pianist) at the conclusion of class. We expect our dancers to work with the highest standard of integrity in every class. We are very demanding of our intermediate and advanced students, but our policies are in keeping with professional standards worldwide and we want to give our dancers an education that enables them to succeed in this highly competitive field.

Drop Off/Pick Up

The school will open 15 minutes prior to the start of the first class of the day. We use our private parking lot for drop-off and pick-up only.

Please do not leave your vehicle unattended in our drop off lot. To drop off, enter from the left, pull in straight in a parallel fashion and exit on the right. Cars must be on the right side of our dividing parking line. Parking space on the left are designated for tenants of another building and should not be used in any way including drop off. If you will be leaving your vehicle to accompany your child into the studio, please park in a spot in the central lot. We will keep our front door locked, but dancers can easily access our back door from the right side of the building.

Our Space

Our school is an educational facility and parents and children should be quite and respectful while in our waiting area. It is never appropriate for children to be playing in or outside the studio. Absolutely no one (adults or children) may occupy a vacant studio unless given express permission to do so. Please clean up after young children in the dressing room and the bathroom. We request that you do not leave diapers in our trash cans or flush anything other than toilet paper down the toilets. Dancers are expected to clean up after themselves. Dancers who do not clean up after themselves may lose their privilege to be in the dressing room spaces.

Valuables

Dancers should leave their valuables at home. Lockers are available for use during class for free and dancers are strongly encouraged to lock anything of value. Dancers may not leave belongings in their lockers overnight. The City Ballet School is never responsible for lost or stolen items.

We expect all our students to maintain our standard of conduct at all times. Training dancers requires that the student and their teachers work closely together to reach each dancer's full potential and we believe that a strong sense of discipline allows students to reach their goals. Our code of conduct creates an environment where dancers can pursue their training without distractions and provides a safe and nurturing environment for our students. Please read over our code of conduct with your dancer as we will also do on the first day of class. Thank-you for helping us create a professional environment possible for our dancers!
