

The City Ballet School

63 East Franklin Street • Hagerstown, MD 21740 • (301) 733-5833

Dear City Ballet Families,

Thank you to everyone who joined us for summer sessions. We are delighted to see how our dancers have progressed over the summer months. Our fall season begins Monday, August 19th. Please take a few minutes to review our class schedule for the 2024-2025 school year. Please notify us if you have a schedule conflict with your assigned class and we will attempt to find a suitable substitution. Please connect with us on social media via facebook or Instagram for school updates. This is our primary method of communication, especially for inclement weather closures. You can also view our feed on the homepage of our website at www.cityballetschool.com.

Registration

Open registration is Sunday, July 28th from 2:00-4:00 or Wednesday, August 7th 6:30-8:00 at the studio. You may also register immediately by mailing your registration or dropping off (front door mail slot available 24/7) at 63 East Franklin Street. We will accept registration for any given class until the class is full. Please register in advance if you are planning to attend as we cancel classes with low enrollment. We will receive registration on a first come, first served basis. There is no registration fee for returning students.

Level Placement and Attendance

Creative movement, and ballet 1, 2, 3 and 4 meet once per week. Please specify preferred day(s) for Creative Movement, Ballet 1, Adult Ballet, Dance with Me, and Acro 2 or 3, as these classes have multiple options. Prep C meets 2x weekly and Prep A meets 3x weekly. Advanced Ballet Tech classes meet 4x weekly. Dancers **must** take all days classes meet. If you wish to take less weekly classes, you may register for any level lower than your assigned class. All students are encouraged to take classes in jazz, modern, tap, acro, and hip hop. Learning different dance disciplines is similar to the way we learn language and are best added at a young age. Please e-mail with any questions you may have regarding level placement and scheduling. Older dancers seeking consideration for placement in The Western Maryland City Ballet Company must be enrolled in modern and jazz in addition to their ballet classes and have one year of pointe training. Please register as soon as possible for your first choices in classes. Late registration may require alternate class options depending on the availability in the class. You may ask to be put on a wait list if your first choice is full.

Auditions (see reverse for details)

Nutcracker Auditions are Sunday, September 15th. Company Auditions are Saturday, September 14th. We encourage all our students to participate in performance if they are interested and able!

Adult classes offered this year:

Adult Tap – Mondays- 6:30pm

Adult Ballet- Saturdays 9:00 am, Mondays 7:00pm, Thursdays 7:30pm

Adult Hip Hop- Saturdays 11:00am

No experience is necessary to join an adult class. Adult classes are a great way to reinforce physical, mental and cognitive health while learning something new or refining current skill. We are currently registering students who wish to attend weekly. We will open registration to drop in's if registration requirements for the class are met. There is no registration fee for adult students.

Thank you for your continued support and partnership with us. Training strong dancers takes many hours a week and we know that a dancer's schedule is always a challenge for busy families. We are honored to have the opportunity to invest in our dancers and to be a part of their lives and personal growth. Please feel free to contact me with any questions regarding the upcoming year. I am looking forward to having everyone in the studios for a new season!

Please join us in welcoming the newest additions to our faculty! Emily Bernazolli (Creative Movement and Ballet 1), Susie Banks (Adult Ballet), Nicole Ruark (Jazz 3 and 4) and Bonnie Monnier (Dance with Me). We are grateful they will be joining us to share their energy, expertise and passion with our dancers. Their full bio's will be available on our website at www.cityballetschool.com.

All My Best,

Danielle Horochowski

FREQUENTLY ASKED QUESTIONS

What is the Dress Code for my child's classes?

Ballet

ladies- pink ballet tights, black leotard and pink leather or canvas ballet slippers. Pointe and prep level students should wear professional mesh seamed tights and spilt sole canvas ballet shoes. Hair must be secured in a bun. Students in ballet 3 and higher will not be permitted to class without proper dress code, including having their hair in a bun. No undergarments should be worn under dance attire. Proper fitting leotards and tights are designed so that undergarments do not need to be worn.

gentlemen - white ballet shoes, white nylon socks (calf length) black tights and a white, form fitting t-shirt or leotard. Boys ages 10 and up should wear a dance or athletic belt.

Jazz/ Modern/Tap

ladies- Solid color leotard, solid color tights. Hair must be secured in a ponytail or bun. *jazz* : black split sole jazz shoes

gentlemen – black footless or convertible tights, or jazz pants solid color t-shirt. *jazz* : black split sole jazz shoes

Acro

Ladies and gentlemen -Form fitting leggings, shorts, unitards or tights. Ladies must wear hair in a bun. No jewelry. Bare feet

Hip- hop

Ladies and gentlemen- sneakers (any brand or style is ok, but shoes should be worn exclusively for class and not outside) sweats, jazz pants, shorts and t-shirts may be worn. No short shorts or crop tops (no exposed midriffs). No street clothes (ie jeans, skirts, ect) ladies must wear their hair in a ponytail.

What determines my child's level placement?

Ballet

As a general rule, dancers will spend 2 years in classes in the children's division (creative movement - ballet 4). Students must be in kindergarten before entering ballet 1. As students get older, there are other factors such as strength, flexibility and overall physical development that can determine how much work a student is able to do. Students will not be placed in a pointe class until we feel that their body and level of technique is strong enough and they have mastered a list of prerequisites that we have for beginning Pointe. City Ballet has a list of technical proficiencies that must be accomplished before moving to Pointe.

Jazz/Tap/Modern/Hip-hop/Acro

Placement for jazz and modern dance is largely determined by the dancer's age and level in ballet technique. Ballet is the core training for all dance forms so a student in an upper level ballet class may be eligible to take an advanced jazz or modern class even if they have not had prior training in that discipline. There is a large gap between levels of jazz, modern and tap, so students can expect to spend several years in each level. Our Acro classes work from the acrobatic arts curriculum and specific skills determine levels. Acro 2 must have one year of Acro 1 and must be at least 5 years old. Prerequisite for Acro 3 is a forward roll and cart wheel with correct form. Acro 4/5 must have 1 handed cartwheel, front and back walk over and a minimum of two years in the acro program.

Can I take a class other than the one assigned?

For children's division: If you need a different class because of a schedule conflict, you may e-mail us and we will help you with some options. We may place a student in a higher level with the understanding that your child may spend more time than usual in that level. You always have the option to repeat a level and sometimes this can be great for a child's confidence and sense of mastery of the material. *For prep:* Students often spend several years in a prep level classes until they have built the necessary strength for pointe. *For Pointe:* Students must attend assigned classes, but may take any additional classes of a lower level. Moving to pointe is only at the discretion of your teachers and your mastery of our pointe prerequisites. You may not request to enter a pointe class if you are not assigned to one.

What is the best way to contact my child's teacher or the Artistic Director with questions?

The best way to speak with Danielle Horochowski is through e-mail at horochowski.cityballet@hotmail.com. You can also call or text the school at (301) 733-5833.

Do I have to attend all classes in my level?

Yes. Classes in our children's division meet once weekly. Prep C meets 2x weekly, Prep A meets 3x weekly and Advanced Tech classes meet 4x weekly. Pointe level students must take a minimum of four weekly classes. If it is not possible to attend all the classes, you may take a lower level that meets less times weekly.

How does billing work? What if I have a billing question?

Classes are billed in 11 even monthly installments of a yearly tuition amount. (August through June). Your first installment is due upon registration in August and your second installment is billed in September. Bills will be sent the first of the month and are due by the 10th for the current month. We currently accept cash or check. We do not accept credit cards or bank debits, although you may set up auto pay through you online banking. Please e-mail cityballetquestions@hotmail.com if you are unsure of your tuition amount or how to set up an auto pay through your bank. Your first tuition payment should be included in your fall registration. You can mail your payments, drop in our tuition box or front door mail slot or auto pay through your bank. Payments must be made via cash, check or money order. Any billing questions or concerns may be addressed to Diana Miller at cityballetquestions@hotmail.com.

Where can I park?

There is plenty of rear parking in the central lot as well as street parking on Franklin street. Please do not leave your car unattended in our drop off lot other than to walk your child to the door. To drop off in our private lot, pull head in from the left side of the lot and exit on the right. We encourage you to park on Franklin street where there is ample parking that is free in the afternoons.

Where can I wait? We have a small waiting area in the front of the studio and some waiting space downstairs. While our lobby has reopened to parents, we encourage you not to wait in the building for long periods of time if it is not necessary as it can get crowded. Visitors are not permitted.

How will I know if a class is cancelled?

Classes are only cancelled in the event of inclement weater. We post cancellations on our voicemail and our Instagram or Facebook page (which can be viewed on our website homepage even if you do not use social media) We attempt to make this decision two hours prior to the start of the first class of the day. We do not close for Halloween or federal/school holidays other than those listed on our calendar.

Are there additional fees besides tuition?

All City Ballet students are invited to perform with their class in our spring recital. Costumes are purchased in January for \$75 per costume. There is also a \$60 recital fee per family. Performing in the recital is optional. The Western Maryland City Ballet Company produces two full length ballets each year. Students enrolled in a ballet class are invited and encouraged to participate in our productions. The audition fee is \$25 and the participation fee is \$75 which covers costs for all rehearsals (held on the weekends, separate from class times) and your costume rental. Participation in these productions are encouraged, but not mandatory.

Please address any additional questions you may have to Danielle Horochowski at horochowski.cityballet@hotmail.com or (301) 733-5833

City Ballet Policies and Code of Conduct

The safety of our students is very important to us and we want to ensure that the City Ballet School is always a safe and professional learning environment. We view our studios as a special place exclusively designed for the serious dance student. The City Ballet School upholds a code of conduct to enforce the level of discipline and respect we expect from each student to provide a secure learning environment for all our students. Our code of conduct includes:

- Dancers must be fully dressed and prepared for class by their scheduled class time. Dancers who are not in dress code or who are more than 10 minutes late must observe class.
- Dancers must always treat their classmates, other students and all teachers with respect.
- Parents are not permitted in the classroom at any time.
- No photography or videography of any class or rehearsal is permitted at any time
- No chewing gum permitted anywhere in the building
- Dancers are expected to fully participate in class and demonstrate their best work, attention and effort. An inability to participate will result in a lower level placement or dismissal.
- Dancers are expected to be clean for class and should always have clean class attire and wear deodorant.
- Dancers are expected to behave themselves in a polite and respectful manner in the dressing room. Rowdy behavior and loud voices will not be tolerated.
- Students registered for classes that meet more than 1x weekly (prep C, prep A, tech C, Tech A) MUST attend all days their class meets. Good attendance is necessary for progression through our levels. Dancers with poor attendance may need to change levels or have reduced recital participation.
